

# Add Additional Users

1. Click **Your Account** and **Manage Servers** or click this link <https://ems.element.io/user/hosting>.
2. Click the Hosts tab.
3. Change **Total Monthly Active User Seats** to the number of users you want and click **Save** at the bottom.

**Total Monthly Active User Seats:**

10

Your server will allow this many active users within a monthly period.

Total cost per month will be \$30.00. This is a difference of \$15.00 from before.

**Host size:**

Element Cloud

- Note that you cannot decrease your user count later.

For server on our legacy plans, Say you want a total of 10 Monthly Active Users on your EMS Nickel server. Add 5 in the **Additional users** field. Then click **Save**.

**Additional users:**

5

**Host size:**

Nickel

**Upgrade Plan**

**Max users:**

10 (5 + 5)

**Element URL:**

[ems-demo-staging.element.io](https://ems-demo-staging.element.io)

**Homeserver:**

[ems-demo-staging.ems.host](https://ems-demo-staging.ems.host)

**Save**

**Delete Host**
