

Deleting an EMS Account

Deleting an EMS Account

From the [Element](#) homepage, click [Sign In](#) then [Admin Dashboard](#) to be taken to the EMS Control Panel. If you aren't logged in already, you will be presented with the login screen - sign in using your details to be taken to the EMS Control Panel.

The screenshot shows the Element website's Sign In page. The top navigation bar features the Element logo on the left and links for Product, Solutions, Pricing, Resources, Sign In, and a Get started button on the right. A dropdown menu for Sign In is open, showing options for Open Element web and Admin dashboard. The main content area is a Sign In form with fields for Email and Password, a Sign In button, and links for Forgot Password? and Register.

Account

Billing

This page contains details about your account, to delete your account, you will need to click the [Delete Account](#) button found at the bottom of the page.

Delete your account

If you delete your account it will be erased immediately. You can sign up again at any time.

Any running hosts or integrations will be immediately cancelled.

Delete Account

Confirm the account deletion in the following prompt to irreversibly delete all hosts and integrations you have and cancel any subscriptions. Your account will then be deleted.

Confirm Account Deletion

Are you sure you want to delete your account?

This action will **irreversibly** delete all hosts and integrations and cancel any subscriptions.

This operation can not be undone.

Yes

No
